

Centura 40 IP20 Class 2

Fixed arc LED modular pendant lighting system

Down light - 2 or 4 x high power LEDs with lenses per module

Fixed arc LED modular pendant lighting system

Product description:

Modular arc LED pendants in a range of sizes with down lights and decorative two-colour louvred snoots in custom finishes for use in a wide range of application areas. With each arc having the potential to have a custom radii this configuration is versatile and stylish.

Each module: Down light - 4 x Cree XPE or XPG LEDs with Ledil Tina or Heidi lenses - see LED / lens matrix for beam angles

Up to 5 Watts per 4" (100mm) module

Up to 48 Volt DC supply

Integral LV constant current driver

Dimming options available: 1 - 10V, DMX and DALI

Various LED colour temperature and CRI options available

Body - Satin black, white or any RAL powder coat or anodized finish

Decorative anti-glare louvred snoots with custom powder coat or anodized finishes to order. The louvre finish can differ from the body

Custom lengths based on a 4" (100mm) module up to 8.3' (2.5 Mtrs) Rod, cable or surface mount options. Custom solutions are also available

* Colour mixing lens not available with Centura 40 IP20. See Centura 60 IP20 data sheets for versions with colour-blending Gaggione lens.
